

To Whom It May Concern:

In regards to the Omnibus Objection for Circuit City Stores, Inc., et al., Chapter 11 case No 08-35653 (KKR), I, Steven F. Draxler, of 2322 Pocono Ct., De Pere, WI 54115, (920-217-1631) submit the following response:

On 1/28/2009 I filed a claim for \$5,440.00, KCC Claim number 8735. This claim is a result of Circuit City Stores, Inc. (the Debtor) issuing me, a Store Director for the Company, a Management Incentive Plan. This agreement, included in the original claim filed, offers a yearly incentive for meeting certain company expectations. It is stated on page 7 of this agreement that I would be awarded a payment of 75% of the Shrink Payout if my store met or exceeded its goal for the fiscal year of 2009, which would equal an amount of \$3,000.00 for this time period. Not only did my store exceed Company expectations for shrink throughout the year and into the bankruptcy period, it ranked at the top of all stores in the Company, data that was also submitted with the initial claim. I hereby seek resolution in the amount of \$3,000.00.
